The Connecticut Dermatology and Dermatologic Surgery Society

Agenda

Thursday, October 11, 2018

The Aqua Turf, 556 Mulberry Street, Plantsville, Connecticut

2:30 **Registration - Vendor Expo**

3:00 **Risk Management - How to Avoid a Law Suit**

– Sally O. Hagerty, R.N., J.D., Joyce Lagnese, J.D.

Objectives: To describe the hidden malpractice risks in your office

4:00 **Wine and Cheese Tasting Event**

4:50 **Targeting Improved Outcomes in Atopic Dermatitis: Strategies for Achieving Personalized Treatment Goals**

– James R. Treat, M.D.

Objectives: This program is designed to address the following IOM competencies: provide patientcentered care and employ evidence-based practice. At the conclusion of this activity, participants should be able to demonstrate the ability to: 1. Recognize the burden of AD on patients and the healthcare system, along with the unmet need for effective treatment options 2. Recognize hallmark signs and symptoms of AD to ensure early recognition and correct diagnosis 3. Use evidence-based tools to determine disease impact and guide treatment decisions 3. Recognize the importance of targeting the underlying pathophysiological drivers of AD 4. Explain how emerging systemic treatments for AD can improve management of the disease and its comorbidities, while considering MOAs, safety and efficacy profiles, indications, and impacts on disease progression.

5:50 **Confocal Microscopy Applications in Your Practice Everyday**

– Jane Grant-Kels, M.D.

Objectives: 1. Explain how confocal microscopy works 2. Educate the audience re how to interpret the images 3. Teach the audience when it is most appropriate to obtain a confocal rather than a biopsy.

6:20 **Hyperhidrosis. No Sweat!**

– Louis Kuchnir, M.D., Ph.D.

Objectives: Elucidate pathophysiology & pharmacology of hyperhidrosis & antihidrotic therapy. Inspire increased therapeutic engagement of patients suffering from ineffective counter-perspiration. Demystify the physical chemistry of an important inorganic pharmacotherapeutic salt.

7:00 **Dinner - Business Meeting - Awards**

7:40 **How to Recognize Polycystic Ovary Syndrome and Treat Its Cutaneous Manifestions - Tim Chartier, M.D. Lecture**

– Rachel Reynolds, M.D.

Objectives: 1. Work up and diagnose polycystic ovary syndrome. 2. Recognize the systemic manifestations of polycystic Ovary Syndrome 3. Use hormonal therapies to treat Acne and Hirsutism.

8:10 **Coffee and Desserts**

8:30 **Resident Updates and Interesting Cases from Across the State**

– Moderator - Omar Ibrahim, M.D., Ph.D.

Objectives: To review challenging and interesting cases from members and discuss treatment options and optimal outcomes.

9:00 **Certificates and Door Prizes**

This activity has been planned and implemented in accordance with the Essentials and Standards of the Connecticut State Medical Society through the joint sponsorship of CSEP and The Connecticut Dermatology & Dermatologic Surgery Society. CSEP is accredited by the CSMS to provide continuing medical education for physicians.

CSEP designates this educational activity for a maximum of 4.0 AMA PRA Category I Credit(s)[™] toward the AMA Physicians Recognition Award. Each physician should claim only those hours of credit that he/she spent in the activity.

**JANE M. GRANT-KELS, M.D., FAAD**

Dr. Grant-Kels is Vice Chair of the Department of Dermatology, Founding Director of the Cutaneous Oncology Center and Melanoma Programs and Professor of Dermatology, Pathology and Pediatrics at the University of Connecticut Health Center. She is also founding chair emerita of the Department of Dermatology, founding director emerita of the dermatology residency program, and founding director emerita of the dermatopathology laboratory. Jane attended Smith College and Cornell University Medical College. She then trained in pediatrics and dermatology at Cornell's New York Hospital. Following her residency she completed a dermatopathology fellowship at New York University with A Bernard Ackerman. Jane serves on numerous editorial boards related to her field and is the founding editor in chief of the Journal of Clinical Medicine and was the founding co-editor in chief of the International Journal of Women's Dermatology. Presently she is also Deputy Editor of J Am Acad Dermatol. She has published over 337 manuscripts, 98 chapters, guest edited 20 journals, and edited or co-authored 6 books. She has also delivered over 600 lectures. She was a member of the Board of the Women's Dermatologic Society and the Board of the American Academy of Dermatology and is presently Vice President elect of the AAD. She was also the recipient of the WDS Rose Hirschler Award in 2018, the AAD Professionalism Award in 2014, as well as AAD Presidential Citations in 2016 and 2017. Her areas of interest are pigmented lesions, reflectance confocal microscopy, dermoscopy and dermatoehtics.

**Sally O. Hagerty, RN, J.D.**

Attorney Hagerty is a principal of the Hartford law firm of DanaherLagnese, PC, and managing partner of the firm's Westport, Connecticut (Fairfield County) office. She graduated from The Ohio State University College of Nursing, is a registered nurse, and obtained her law degree in 1987 from The Ohio State Moritz College of Law. Ms. Hagerty began her legal career in Chicago where she practiced with a large insurance defense firm for nearly a decade before moving to Connecticut. Her practice concentration is primarily high exposure medical malpractice defense litigation. For nearly 25 years, she has defended medical malpractice cases on behalf of physicians from every medical specialty, including claims of birth injury, wrongful death, surgical neurologic impairment, ophthalmologic injury, delayed diagnosis of cancer and other claims of permanent injury. In addition, she represents medical practitioners and institutions in administrative proceedings before the Connecticut Department of Public Health. Ms. Hagerty has been an invited lecturer to various local and regional medical societies, physician and nursing organizations, and hospitals on medico-legal topics, including risk mitigation strategies.

**OMAR IBRAHIMI, M.D. Ph.D.**

Dr. Omar Ibrahim is the medical director of the Connecticut Skin Institute. He completed his Dermatology training at Harvard Medical School and a fellowship program in Mohs and Reconstructive Surgery, Laser and Cosmetic Surgery at the University of California – Davis. He is well known nationally having been an invited speaker at numerous national meetings, and written extensively about Mohs Surgery, Laser and Cosmetic Procedures. Dr. Ibrahim has published over 65 research articles and book chapters on skin cancer surgery, laser and cosmetic procedures in leading medical journals. He has also performed thousands of cases of Mohs Surgery and Laser and Cosmetic procedures. Dr. Ibrahim previously served as a Visiting Assistant Professor of Dermatology at Harvard Medical School in the Wellman Center for Photomedicine. The Wellman Center for Photomedicine is the world's leading research center where the majority of today's laser and cosmetic technologies were invented and tested. He is an active participant in many clinical trials of new technologies.

**LOUIS KUCHNIR, M.D., Ph.D.**

Dr. Louis Kuchnir founded Kuchnir Dermatology in 2001 after completing residency at the University of Massachusetts. Since September 2009, he has served as president of the Massachusetts Academy of Dermatology. Dr. Kuchnir is on faculty of the University of Massachusetts Medical School. He received his medical degree from Washington University in St. Louis. He earned a PhD in physical chemistry at Harvard University and went to college at the Massachusetts Institute of Technology. He is board-certified by the American Board of Dermatology.

**Joyce A. Lagnese, J.D.**

Ms. Lagnese is one of the founding principals of the Hartford Law firm of DanaherLagnese, PC, where she serves as head of the Medical Malpractice Defense Unit. She is a high honors graduate from the State University of New York and obtained her law degree with honors in 1980 from Hofstra University School of Law. Her practice concentration is high exposure medical practice defense litigation. For over three decades, she has defended medical malpractice cases throughout Connecticut on behalf of physicians from every medical specialty, and has successfully tried to verdict a large number of medical malpractice cases including claims of wrongful death and permanent injury. Her practice also includes representation of medical practitioners and institutions in administrative proceedings before the Connecticut Department of Public Health.

Ms. Lagnese has been an invited lecturer and Keynote Speaker to various local and regional medical societies, physicians organizations and hospitals on medico-legal topics and is co-author of a textbook on Connecticut Medical Malpractice. She has also been an advocate in the Connecticut State Legislature for malpractice tort reform.

**RACHEL REYNOLDS, M.D.**

Dr. Reynolds went to Medical School at University of Pennsylvania, and completed her Dermatology residency training in the Harvard Combined program. She is currently an Associate Professor of Dermatology at Harvard Medical School and an attending Dermatologist in the Department of Dermatology at Beth Israel Deaconess Medical Center, where she serves as Vice Chair. She practices medical, cosmetic and surgical dermatology. Her specialty interests are acne and polycystic ovary syndrome, and she is the co-founder and co-director of the Beth Israel Deaconess Medical Center multidisciplinary Polycystic Ovary Syndrome Clinic.

**JAMES R. TREAT, M.D.**

Dr. Treat is a pediatric dermatologist with the Division of Dermatology at Children's Hospital of Philadelphia and an assistant professor of Pediatrics and Dermatology at the Perelman School of Medicine at the University of Pennsylvania. He is the education and fellowship director of Pediatric Dermatology. Dr. Treat is widely published, edited a textbook on pediatric dermatology, and has given over 75 invited lectures nationally and internationally. He directs the dermatology course for the Perelman School of Medicine, and has won 12 teaching awards as well as the 2013 Master Clinician Award to The Children's Hospital of Philadelphia.
